LIVE UNITED.**

United Way helps increase  
access to mental health services.

*"Without NAMI (National Alliance on  
Mental Illness) and its educational  
programs, I would be back on drugs,  
homeless and wouldn't have the  
support system. NAMI Signature  
Program Peer-to-Peer has made me  
feel important, allowing me to first  
help myself as well as others impact-  
ed by mental illness. People have  
come to me and shared that I've  
helped them through their recovery  
process."*
